CAREER OBJECTIVE

Passionate and impact-driven filmmaker currently pursuing a degree in Broadcast Production at the University of Nairobi. My work blends storytelling, documentary filmmaking, and creative editing to highlight social change, resilience, and untold African stories. I bring a strong foundation in directing, editing, and visual storytelling, supported by hands-on experience in studio and field production. I aim to use the power of film to amplify marginalized voices and document change in society.

Education

University of Nairobi — Bachelor of Arts in Broadcast Production
2022–Present
